Subject: Invitation: State/Fed BGO Policy call (Nov 23 01:00 PM EST in Call - (916) 651-3086)
[Draft BGO Policy Statements_11-22-11a.docx](#)

All,

Here's an official invite for our call tomorrow (11/23) on BGO Policy Issues.

The call will be from 10-11am. Note that this is an hour later than what I suggested earlier this morning to accommodate schedules.

The call-in number will be: (916) 651-3086

Attached below is a draft set of policy statements and policy Q&As for your review and discussion tomorrow.

If you have a chance to look at the attached today and send me any questions, comments, or edits before our call, that would be helpful – particularly if you won't be able to make the call.

The goal here is to formulate a consensus State/Fed policy position, then vet it with the NGOs before 12/7.

I would like to send something to the NGO community (or at least select members for starters) at the end of this week if possible – which gives us next week to work on possible revisions as needed before 12/7.

Thanks,

Bruce
